

Pilot error -Survival -Rescue

Mr. Brian Brown will discuss his own story of decision making as a pilot and the resulting crash and survival in the Idaho mountains. Past presentations of Mr. Browns' story have resulted in accolades from the attendee's regarding his honesty, clarity, and lessons learned from an event that has changed his life. Please see the attached flyer for further information.

Directions: Flying: Taxi to the west side of the airport, park just south of the open sun shade hangars.... then walk west 300 feet to the Quonset hut, enter at the north end of the hut.... and have a great day in aviation !!!
Driving: Google 2955 South Street, zip code 96001..... park along the airport fence, then walk to the north end of the Q hut where there is a man/Women/person gate through the airport fence into the Q hut.... and have a great day in aviation !!!

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
