

ACS and you

Mr. Henry Roberson a long time DPE (Designated Pilot Examiner) will discuss and present a forum on the preparation to take the practical exam for Private Pilot (and other ratings) utilizing the new ACS (Airmen Certification Standards) protocols.

Directions: Flying: Park on the west side of Benton airport, just north of the open sun shade hangars... then walk 300 feet west to the north entrance of the EAA building.
Driving: Google address, follow the instructions, then park anywhere along the fence, then walk to the north entrance of the EAA building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
