

Flying to Weaverville?

Mr. Paul Osterman, a 40 year Private, Commercial, Instrument certificated aviator..... and recently a brand new Advanced Ground Instructor (AGI) will present a 90-minute seminar regarding FLYING TO THE MOUNTAIN AIRPORT OF WEAVERVILLE, CA..... ON A 100 degree day. He will contrast and compare three different aircraft (performance considerations) as to the pilot in command decisions to make the flight or not.

Directions: Driving: Please Google address.... park anywhere along the chain link fence, most parking available on the west side of the building. Main Gate at the north end of the Q-hut, that is the entrance.

Flying: Park on the west side of the airport, just south of the OPEN SHADE hangars... then walk west 300 feet to the QHut.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
