

FAASTeam presents:

# **Rusty Pilots Seminar / Flight Review Ground Portion**

AOPA has put together a fun, interactive program that gives you all the information you need to get current again. Our dynamic presenters will bring you up to speed on hot-button issues like medical reforms, weather briefings, preflight planning, FARs, and airspace. You'll leave the seminar with a logbook endorsement attesting that you've completed three hours of ground training toward your Flight Review. And we'll help you connect with flight instructors in your area so you can take the next step and quickly get back to active flying status.

Topics Covered:

- Airspace Review (Class A, B, C, D, E, TFR, Restricted, Alert, Prohibited, MOA, Special Use)
- Airport / Runway / Taxiway Signage Review
- Weather: METAR / TAF Density Altitude Review
- Communications Review (Controlled / Uncontrolled Airspace Comms)

AOPA members are FREE and non members has a \$69 fee

**Directions:** Fly In to O85 (Benton Field) park at transient ramp; walk in to hangar;  
Drive in and park in the lot next to the FBO walk thru the Airpark Cafe gate (turn left, enter the hangar)
