

Mountain Flying

During this 1-hr seminar, the following items will be discussed:

- Weather and Planning
- Aircraft Performance
- Airspeeds and Altitudes
- Terrain considerations
- Takeoff, en-route and landing
- Emergencies
- Survival
- DOs and DON'Ts
- Q&A

Directions: The seminar will take place on the Lincoln airport (KLHM) premises, in Green Hangar #1 (row of green hangars located north west of the fuel island).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
