

Aeronautical Decision Making SOCAL FWY Emergency Landing

What happens when your engine quits at 600 ft ALG? Are you prepared for how to deal with inflight emergencies? Hear first hand how a local pilot had a forced landing on a LA freeway. Come join Christine Potje as we debrief the full analysis of her incident. Also, she will share how she went from private pilot to landing her dream job as a Medevac pilot in 8 months.

Directions: Fly In to O85 (Benton Field) park at transient ramp; walk in to hangar; Drive in and park in the lot next to the FBO walk thru the Airpark Cafe gate (turn left, enter the hangar)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
