

FAASTeam presents:

Cordless Tools

The use of cordless power tools and safety hazards associated with them.

Directions: Enter the Nevada County Airport thru the main entrance on John Bauer Ave gate which will be left open for the event. Once on the airport, drive east on the taxiway and around the back of runway 25. The event will be held in the first hangar at the end of the runway.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
