

ONLINE ONLY - NTSB Aircraft Accident Investigations - What to expect if you are involved in a crash

As part of the member meeting for EAA chapter 1541, Stephen Stein, an NTSB investigator, will talk about crashes of experimental and certified aircraft, and some of the causes. What pilots might do to reduce the risk of a crash. This is an audience participation event. After an Audio/Video presentation you will be able to ask questions.

Directions: After you register, Dan Masys will email a Webex invitation to the seminar.
NOTE registrations after noon the day of the seminar will not receive an invitation.
