

## 2020 Flying Companion Seminar

This curriculum is a safety event specifically geared towards non-pilots or "Right Seater's" who want to know a little more about aircraft, flight planning, Air Traffic Control radio technique, weather, air traffic patterns and more. The curriculum provides for an informal atmosphere, welcoming questions. The right seater will be better informed on the surrounding environment and in a better position to assist the pilot making for a safer and more enjoyable flying experience for all.

Plan for 08:30 AM (0830) to 04:30 PM (1630).

**Directions:** Terminal Building, 1st Floor Meeting Room
