

FAASTeam presents:

# **NTSB Aircraft Accident Investigations - What to expect if you are involved in an accident**

Stephen Stein, an NTSB investigator, will talk about crashes of experimental and certified aircraft, and some of the causes. What pilots might do to reduce their risk of a crash.

**Directions:** Driving -From Highway 65 , turn north onto Nelson Rd at the traffic light.  
Continue past Nicolaus Rd at the 4-way stop, onto Aviation Blvd.  
turn left onto Flightline Dr.  
Continue past the stop sign to gate 4  
Carefully drive onto the taxiway to the 4th row of hangars on the right.  
Park on the east side of the hangar, or continue to the next row and park on the grass.  
Flying -in Hangar S12 at the most north taxiway. Aircraft parking is limited, call Jim Hughes, 530-432-6608, for a reservation. Additional parking is at the transient ramp., north of the beacon.
