

Foreflight Basics

Targeted towards flying student pilots or pilots new to automated "electronic flight bag" type charting, planning technology. We will review the "basics" on how to set up a flight plan, fly the flight plan, and configuring the Foreflight App for usefulness in the cockpit.

Directions: Fly In to O85 (Benton Field) park at transient ramp; walk in to hangar;
Drive in and park in the lot next to the FBO walk thru the Airpark Cafe gate (turn left, enter the hangar)
