

## Civil Air Patrol

Representatives from the local CAP Squadron 126 will present an overview of the CAP and of their CAP Squadron. The Civil Air Patrol was and is chartered by the U.S. Congress as an auxiliary of the United States air force and as such the CAP has both a civilian and wartime mission.

Come and find out what those missions are and how you may support the squadron.

**Flying In:** After landing, proceed to the northwest corner of the airport, when you see the Sun Shade Open hangars, proceed WEST on the tarmac and park anywhere near the west edge. Then walk 300 feet to the EAA building and enter at the north door.

### Driving to the seminar:

The easiest thing is to enter the street address into your GPS on your phone or vehicle map device.... If you have neither then make your way to downtown Redding, proceed to the Jail (tall building) and find the street called Placer, then proceed west about 13 blocks. At the top of the hill you will pass the entrance to Benton airport (DO NOT TURN THERE), proceed to the next traffic signal (Pleasant street) and then turn left, go one block and you will be looking at the EAA building. It will be on your left, part anywhere off the street (Also the EAA building is next the the Army National Guard unit/facility).
