

Owner/Operator Aircraft Maintenance & Preventing Loss of Control Accidents

FAASafetyTeam Program Managers Roy Hutto and Gary Justice will discuss Owner/Operator Maintenance and Prevention of Loss of Control Accidents, respectively. In addition, we will review the FAA Wings Pilot Proficiency Program and facilitate an interactive discussion about local general aviation operations "interface" with the USCG Arcata Air Station flight operations.

Directions: Driving: From US 101, take Exit 722 toward ACV, 1st left on Coast Guard Rd, then left on Lycoming to the end. Use keypad at the gate to contact the command center for entry.

Flying: Park on ramp for normal GA parking and call Lt Roberts at 707-601-7343 for a ride to the event.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
