

Santa Rosa Pilot Safety Seminar - Are You Ready for Winter?

Come join safety minded pilots to review and discuss the challenges of winter weather flying in Northern California. We will look at past accidents to determine what steps you can take to ensure you are ready for safe flying as the days get shorter and the rain returns.

Directions: Hwy 101 North or South – exit at Airport Blvd. Go west on Airport Blvd, turn right on Skylane Blvd, second right into Sonoma County Office of Education (SCOE). Follow signs in building to meeting room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
