

FAASTeam presents:

Operation Rain Check

Although this seminar is targeted for the Student Pilot, we encourage all pilots interested to attend. Sarah Hughes, Oakland FSDO FAA Safety Team Program Manager will discuss Pilot Deviations and Compliance Philosophy. Dave Carmen, Oakland ARTCC Air Traffic Control Specialist and CFI, will discuss the 'Do's and Don'ts' as well as communications with Oakland ARTCC. Hayward Air Traffic Control Specialist Mike Prijatel will elaborate on the movement areas, runway incursions and the Class "C" and "D" Airspace. A presentation by Aviation Safety Consultant, CFI and FAAST Representative Sam Gross will be an interactive discussion about "Operating at Airports", "How to Maintain Situational Awareness", and "Loss of Control Scenarios".

Directions: The Administrative Conference Room is located inside the terminal building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
