

FAASTeam presents:

The WINGS Pilot Proficiency Program - What it is and How it Works

The WINGS Program is an easy to use proficiency program that has a proven track record of reducing aviation accidents.

Participation in this program has a proven track record of reducing accidents and incidents.

Learn how easy it is to both enroll and take part in this FAAST sponsored program. There are literally hundreds of choices of free seminars, webinars, and on-line courses that can make you more proficient in all phases of flying. Learn how participation in this program can fulfill your requirements for a Flight Review as well as increase your competency and knowledge as a pilot. See how the knowledge portion can be fulfilled on your own schedule either by on line classes, live seminars like this one, or online webinars. You control the time to meet your own schedule, you control the content to meet your needs. This is NOT your grandfather's WINGS program - but a revised one to help you maintain proficiency.

Directions: On Highway 1 on West Side of the road at Intersection of Peterson Lane. Park across Peterson Lane from the Inn. Rides will be available from KLLR until 10 minutes before the event.
