

FAASTeam presents:

# **Double Feature - The New SFO Class Bravo AND Stabilized Approaches**

It's summertime, and that means taking friends and family on a Bay Tour. We live in a place that offers amazing scenery, great restaurants, and horrible traffic jams. As pilots, we get to offer both visitors and locals the opportunity for a unique perspective on the scenery and easy access to enjoyable on-airport (and nearby) restaurants, without having to endure all that traffic. Of course, a tour over the Golden Gate often includes a transition through SFO Bravo airspace, which was reconfigured in August. Learn about the changes that have taken place in the SFO Bravo airspace and how it may affect your Bay Tour options.

After a break for refreshments, we will reconvene for a short presentation on how to impress your passengers and minimize accident possibilities with stabilized approaches and landings.

**NOTE THE EARLY START TIME OF 6:30PM!**

**Directions:** Hwy 101 North or South – exit at Airport Blvd. Go west on Airport Blvd, turn right on Skylane Blvd, second right into Sonoma County Office of Education (SCOE). Follow signs in building to meeting room.

**A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

## Event Details
