

General Aircraft Mufflers and Exhaust Systems

We will be discussing:

- Types of exhaust systems,
- Muffler and Heat Exchangers,
- Repairs,
- Exhaust joint types, V-Band flanges & gaskets,
- Carbon Monoxide Poisoning
- Accident cases
- Carb Heat procedures

The conference room is located off the terminal building lobby. There is a large parking lot across the street including charging stations for electric vehicles. On the other side of the building is the transient ramp for any attendees who wish to fly in for the event.
