

Spring Flying Tune-Up and Current Air Safety Concerns

Join Oakland FAA's FAAS Team Representatives and fellow pilots for ideas on best practices and tips for tailoring a Spring/Summer Flying Tune-Up. With near record stretches of IMC/IFR this Winter, many of us are due to work not only on currency, but true proficiency.

Additional discussions will focus on current Aviation Hot Topics and Safety Concerns. Come share your stories that might have made it into a 'I Learned from That' or 'Never Again' column.

Take HWY 101 exit onto Airport Blvd, drive West to Laughlin Drive, turn left onto Laughlin. Approx. 1 block on the right is parking.
