

AIRWORTHY and Approval for Return to Service

Join Andrew Danovaro, Oakland FSDO FAASTeam Program Manager, in a detailed presentation of determining aircraft airworthiness & approval for return to service.

Goals & Objectives include:

- ~ Exploring the definition of the term "Airworthy"
- ~ Learning about objective & subjective decision-making
- ~ Proper maintenance logbook entries
- ~ Compromise & lessons learned

Please bring your questions & concerns to this important meeting on what it means for an aircraft to be "airworthy."
