FAASTeam presents:

Aircraft Landing Gear Maintenance Accidents

Andrew Danovaro, Oakland FAA FSDO FAASTeam Program Manager, will present an Accident Analysis of Landing Gear Failures with the intention of reducing landing gear maintenance failures.

Art Hayssen, an Oakland FAASTeam Lead Representive, will give a brief analysis of current Northern California weather patterns with a focus on the current Super El Nino's impact on Aviation.

Directions from US-101: Take the Shiloh Road exit, turn left (West) at the stoplight to a "T" intersection, turn left again, and follow the road to the EAA sign on the left.

A message from the National FAASTeam Manager
