

## Winter and Night Flying

With the days getting shorter and the winter season approaching it is time to prepare for it. This seminar will address hazards and risks, how to reduce the risks and preparation form winter and night flying.

**Directions:** Illinois Aviation Museum is the North Most hangar on the East side of the airport facing the runway.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
