

Federal Aviation Administration

A follow-on activity to the
FAA Administrator's
"Call to Action"

MEETING HIGHLIGHTS

- Guest Speakers, National Leaders, Top Executives and breakout working groups
- Participants from all aspects of the aviation industry
- Surface safety recommendations to the FAA and industry

GOALS & EXPECTED OUTCOMES

- Identify surface safety risks and proposed solutions
- Finalize the top ten risks and propose short-term, mid-term and long-term solutions to address those risks
- Breakout sessions with pre-assigned groups to assure a broad level of expertise represented at each table
