

**DEPARTMENT OF TRANSPORTATION  
Federal Aviation Administration  
Portland Tower / TRACON  
Portland International Airport  
Portland, Oregon 97218**

**ISSUED: May 01, 2009  
EFFECTIVE: May 01, 2009**

**PORTLAND AIR TRAFFIC CONTROL TOWER / TRACON LETTER TO AIRMEN  
NO. 09-01**

**SUBJECT:** Practice Approaches at Portland International Airport (PDX) during North Runway Extension Project (N-REX).

**CANCELLATION:** November 01, 2009

This Letter to Airmen announces that due to the closure of Runway 28R/10L and flight delays that will be experienced during the North Runway Extension Project, Practice Approaches at PDX are discouraged. Practice Approaches will be accommodated on a work load permitting basis at other airports within the Portland Terminal Radar Approach Control (TRACON) Airspace. The closure of Runway 28R/10L will begin on May 01, 2009 and continue until November 01, 2009.

If you have any questions please contact Jim Pieser of the Portland, Oregon Tower/TRACON at (503) 493-7514.

Scott Speer  
District Manager,  
Oregon Terminal District
