ISSUED: February 10, 2010

Effective: February 10, 2010

KODIAK FAA CONTRACT TOWER LETTER TO AIRMEN NO 10-1

SUBJECT: Tall Ships crossing the approach corridor for runway 25

CANCELLATION: February 10, 2012

All pilots must exercise caution when landing on runway 25 or departing runway 7 due to possible tall vessels crossing the runway 25 approach corridor 3200 to 5000 feet from the approach end of runway 25. Tall ships over 120 feet in height above the water cross through the channel between Puffin Island and Kodiak State airport. Vessel crossings can occur at any time.
