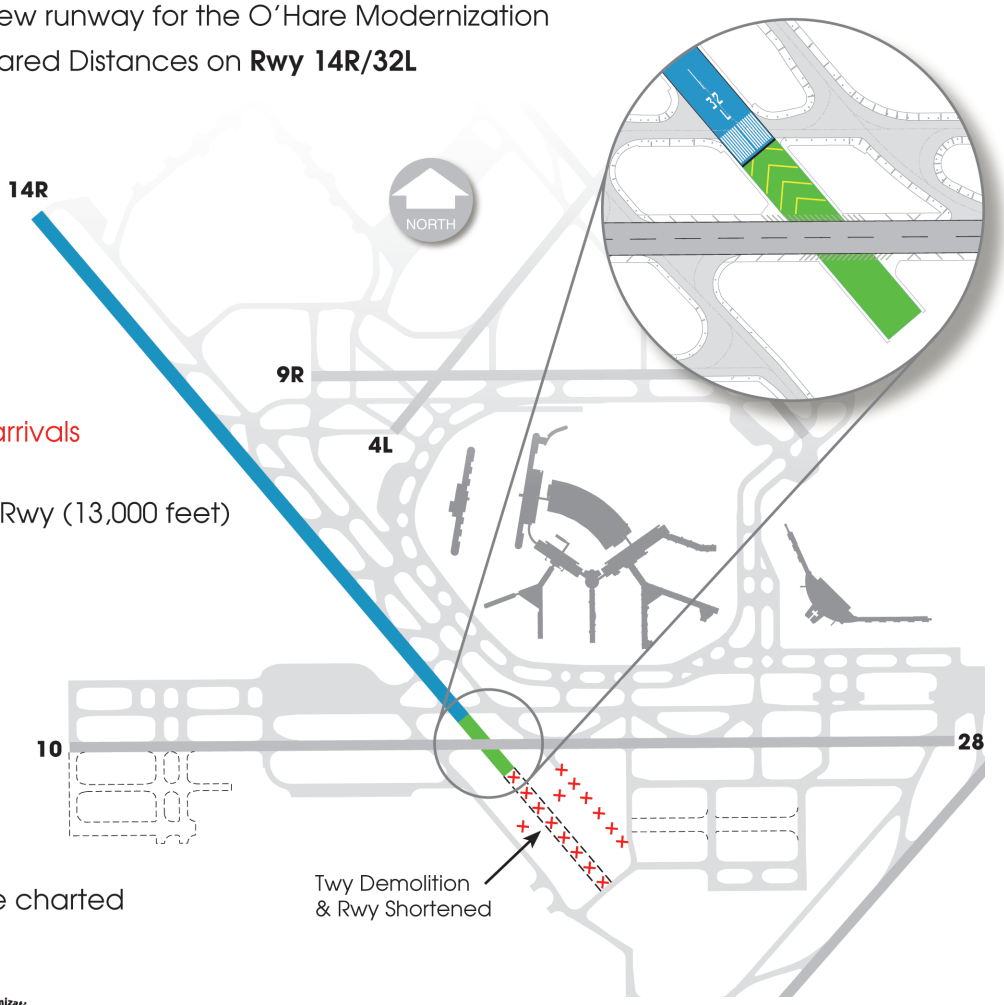
ORD Runway 14R/32L Permanently Shortened

May 6, 2010

The long and short of it

On **May 6, 2010** the threshold of Runway 32L will be permanently relocated to accommodate construction of a new runway for the O'Hare Modernization Program (OMP). The following Declared Distances on **Rwy 14R/32L** will then be in effect:

- **Rwy 14R LDA** = 8,650 feet
- **Rwy 14R ASDA** = 9,662 feet
- **Rwy 32L ASDA** = 9,685 feet
- **Rwy 32L permanently** closed to arrivals
- Rwy 10/28 becomes the longest Rwy (13,000 feet)



Additional Airfield Changes Effective **April 8, 2010**:

- **14L/32R** Parallel Twy change Twy **P** becomes **U**
- New southeast taxiways become charted
