

YOU WATCH THE GAME, WE'LL WATCH THE SKIES!

On Super Bowl Sunday, as family and friends cheer their favorite team, rest assured that our nation's skies are **SAFE** and **SECURE**.

The Continental U.S. NORAD Region will be airborne and on guard.

TEMPORARY FLIGHT RESTRICTIONS will be in place during Super Bowl XLV over Cowboys Stadium and CONR fighters may be visible as they enforce the FAA's restricted airspace in the Greater Dallas-Fort Worth area.
