SEATTLE, WASHINGTON 98108

BOEING FIELD AIRPORT TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 11-1

Issued: September 30, 2011

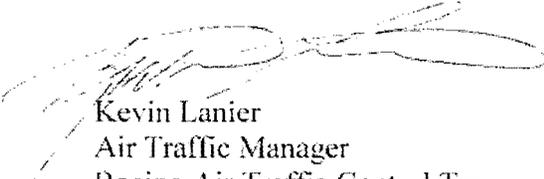

Effective: September 30, 2011

Subject: Simultaneous Operations on Parallel Runways

Cancellation: September 30, 2013

This letter advises users of Boeing Field/King County International Airport, that between sunrise and sunset, Boeing Field Airport Traffic Control Tower is authorized to conduct simultaneous same direction operations to parallel runways. This authorization applies only to aircraft that are twin engine propeller driven and smaller.

If you have any questions or comments regarding these operations, please contact Kevin Lanier, Air Traffic Manager, Boeing Field Airport Traffic Control Tower at (206) 658-6400.
