TAMPA AIR TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 12-02

SUBJECT: Plant City Airport (PCM) Temporary Tower

CANCELLATION: April 1, 2012, at 1200 Local

This Letter to Airmen advises pilots of a Temporary Air Traffic Control Tower at the Plant City Airport in support of the Sun 'n Fun Fly In at Lakeland Linder Regional Airport (LAL). The airspace is defined as the airspace extending upward from the surface to and including 1,600 feet MSL within a 3-mile radius of PCM. This airspace area is effective during the specific days and times established in advance by a Notice to Airmen.

The temporary tower frequency as published in the Sun 'n Fun special procedures Notice to Airmen is 127.6.

Laurie Zugay
Air Traffic Manager
