Lewisburg, West Virginia

---

Issued: May 17, 2012

Effective Date: June 4, 2012

Lewisburg Air Traffic Control Tower (FCT)

Letter to Airmen # 12-01

**Subject:** Taxiway "Alpha" Closure and Resurfacing

**Cancellation:** July 1, 2012

---

This letter is to inform you of the closure and resurfacing of taxiway "A" starting on June 4<sup>th</sup>, 2012 at approximately 7:30 A.M. Local (EST). This project is expected to take 3-4 weeks to complete. Appropriate NOTAMS will be issued.

Pilots using the Greenbrier Valley Airport can expect delays due to the closure of Taxiway "ALPHA". Taxi routes can and will change daily as construction progresses. We apologize for any inconvenience this airport upgrade may cause.

If you have further questions or comments you may contact the following:
