

Quad City International Airport (MLI)
Moline, Illinois

RUNWAY SAFETY ALERT

MLI has seen an increase in runway incursions over the past year.

Roughly half of these incidents occurred when an arriving pilot exited onto an intersecting runway instead of a taxiway.

- **Preflight:**

Be familiar with the Airport Diagram and **Hot Spots** before flying at an unfamiliar location.

http://www.faa.gov/airports/runway_safety/diagrams

http://www.faa.gov/airports/runway_safety/hotspots/hotspots_list

- **Maintain Situational Awareness:**

Runways... white paint / white lights.

Taxiways... yellow paint / blue lights.

Tip: Watch for yellow lead-off lines and signs that identify your exit taxiway.
