

2013 Safety Reminders for the Aspen/Pitkin County Airport

July 4th weekend is approaching quickly, and therefore, particularly during active times we must be mindful and attentive of Aspen/Pitkin County Airport's Runway and Taxiway layout.

Movement Line Revision:

During the off season the Movement Line shifted closer to A4. The movement/non-movement boundary line at Aspen/Pitkin County Airport is now located 165 ft north of the A4 centerline.

Aspen/Pitkin County Airport **Red Line:**

KASE has taken necessary measures to prevent possible vehicle and pedestrian deviations. Please be mindful of the **red** vehicle/pedestrian control line. This **red** boundary line is parallel to Taxiway Alpha and Taxilane Alpha and shall not be crossed without proper communication and a functional need.

KASE Movement/Non-Movement Line Reposition:

NOTAM INDICATES:
