

Quad City International Airport (MLI)
Moline, Illinois

Runway Safety Alert

MLI has seen an increase in Runway Incursions over the past year.

Roughly half of them occurred when an arriving pilot exited onto another runway instead of a taxiway.

- **Know before you go**—Become familiar with the taxi diagram before flying to an unfamiliar airport.
- Review any **Hot Spots** that may exist.
- Remember—Runway markings are **white paint / white lights**, Taxiway markings are **yellow paint / blue lights**.

Tip: Watch for runway exit signs like this one.
