

Bill "Fingers" Cherwin

Crystal Lake, IL

Bill retired from United Airlines with over 38 years of service and over 29,600 hours of flying time. His last commercial mount was a B-747-400. He is an accomplished aerobatics pilot and the choreographer of many of the Lima Lima maneuvers, where he combines his knowledge of physics and aerodynamics. He is the only member of the team who is qualified in all six positions and he is a charter member of the team. Bill and his wife Jean split their time between Crystal Lake, IL and Grand Marais, MN. After 25 years on the team, Bill reluctantly retired in the fall of 2012.
