FAA Airspace Case Number 14-ASW-5

Subject: Notice of Informal Airspace Meetings for Proposed Houston Executive Airport  
Class D Airspace

**TO ALL INTERESTED PERSONS**

The Federal Aviation Administration (FAA) will host an informal meeting regarding a proposal to amend the airspace surrounding Houston Executive Airport (TME). The proposed modification will make the airspace within a four nautical mile radius of TME, surface to 2500 feet MSL, excluding a portion west and northwest. Class D during the hours the TME Airport Traffic Control Tower (ATCT) is open (0600-2200 CST) and Class E surface area when the ATCT is closed.

In order to obtain public input, the FAA will host another informal public meeting.

**Tuesday December 15, 2015                      7:00 PM**  
**6301 Stadium Ln.**  
**Katy, TX 77494**

The agenda for the meeting includes sign in, FAA guided discussion regarding airspace design and questions from the attendees. For information and questions regarding these meetings, please contact Christopher Simmonds, FAA Houston Intercontinental TRACON, 4005 Greens Rd, Houston, TX 77032.

The proposed TME Class D airspace graphic is attached.
