

## Event Details and Registration

Below you will find the details for this seminar or webinar. You may register by clicking the "Register" link.

Title: **Cross Country Challenge**

Topic: **Cross Country Challenge**

Date and Time: **Wednesday, October 21, 2015, starting at 19:00 Eastern Daylight Time** [Download Calendar File](#)

Speaker(s): **AOPA ASI Presenter**

Brief Description:

**When we talk about safety, we normally tackle one issue at a time—thunderstorms one day, taxi clearances the next. But out in the real world, any given flight can bring together a whole range of interconnected safety issues:**

***Fly through that precip...or deviate and cut into my fuel reserve?***

***Climb above that scattered layer...or risk airsick passengers?***

***Fly with an underinflated nose strut...or delay and fly in worse wx?***

**Our new seminar reflects that reality. You'll follow along as we "fly" two fictional trips, answering questions (and debating answers) along the way. From preflight planning to tie-down technique, if it's related to the flight, it's fair game!**

Select Number: **NR0363962**

Location of Seminar: **Technical College System of Georgia  
928 Manchester Expressway  
Carl L. Patrick Hall  
Columbus, GA 31904**

Directions to Venue: **Special Thanks to: Mr. Jamie Loyd, VP - Economic Development & Columbus Technical College.**
