Letter to Airmen: LTA-PWM-11

Subject: PWM Runways 18 and 36 Hold Short Line Locations

Cancellation: 04/26/2025 1200 (UTC)

The letter is to clarify the locations of the Hold Short Lines for Runways 18 and 36.

Airport geometry and runway safety area requirements necessitate the hold short lines for both Runway 18 and Runway 36 to be on Charlie taxiway, parallel to the runway. Use caution as both hold short lines are further back from the runway than expected.

Hotspot 2 has been designated for the north end of Charlie taxiway at the hold short line for Runway 18. While not designated as a Hotspot, the same identical issue as Hotspot 2 occurs at the hold short line for Runway 36.

Mark A Collins
Air Traffic Manager, Portland Tower
